All puppies are sold with veterinarian approval. The buyer has a health warranty extending to the close of business _____ (which is two (2) weeks from the date of purchase) in which to have this puppy checked by a licensed veterinarian and is urged to do so. Failure to have puppy vet checked in the time frame stated void's this warranty completely. If the veterinarian finds anything seriously detrimental to the health of said puppy, it will be exchanged for a puppy of equal value and description (see below). Problems should be brought to the attention of the breeder immediately either by phone or in person. A letter from the examining veterinarian, explaining the puppy's illness, is required when returning said puppy. Daiquiri's German Shepherds reserves the right to have our veterinarian examine the puppy at our expense before return of said puppy. The return of a puppy must be within the above mentioned time frame.

This puppy is also warranted against severe genetic defects that greatly affect its quality of life for a period not to exceed one (1) calendar year from the puppy's date of birth. In the event that said puppy is found to have a genetic defect that severely affects its quality of life, it will be replaced with a puppy of equal value and description at the breeder's discretion upon completion of the following conditions:

This warranty does not include a guarantee that the puppy will pass any OFA or Penn hip certifications unless otherwise stated in the addendum section of this warranty. Breeder reserves the right to substitute a cash refund in lieu of replacement puppy at Breeder's discretion.

By signing this agreement the Buyer agrees to provide veterinary information to Breeder and grant full access to all veterinary records to Breeder at any time. In addition, buyer agrees to allow Breeder to talk with any veterinarian or technician that has treated the puppy at any time.

Upon completion of this sale, the breeder assumes no responsibility for said puppy for any reason; be they medical expenses, landlord disapproval, allergy to animals or family disagreements. Once the puppy leaves the breeder's premises, the buyers are solely responsible for said puppy.
